

Saying 'I do' in Vietnam's Former Imperial Capital

Alba Wellness Valley by Fusion is tapping into its natural location, surrounded by verdant mountains and steamy hot springs, and launching a new wedding package. The comprehensive offering includes set-up of the ceremony location amid lush tropical gardens, a celebrant, a photographer to capture the ceremony and reception, a champagne fountain, live music and an MC, a banquet service inclusive of wedding cake, a room for the bride to get ready with a makeup artist, and a complimentary honeymoon night with a late checkout. The resort can host up to 100 wedding guests and has a range of accommodation from private bungalows to chic suites overlooking a lake.

"Our authentic Japanese onsen spa and our range of wellness activities, from sunrise yoga to water meditation in our natural hot springs, help our couples find balance at an exciting and busy time in their lives."
