MEETINGS & CELEBRATIONS

An aerial photograph of a resort complex. On the right side, there are several modern, multi-story buildings with light-colored facades and blue roofs. A large, irregularly shaped swimming pool with a blue interior is situated in the center-right. The pool is surrounded by lush green landscaping, including palm trees and manicured lawns. To the left of the pool, there is a sandy beach that meets the ocean. The ocean is a deep blue color, and the waves are visible breaking onto the shore. The overall scene is a high-angle, wide shot of a coastal resort.
